### THE BUCKINGHAM SCHOOL LOTTERY

Did you know that the School has its own lottery?

Join our lottery and you will be entered into a draw winning cash prizes, all for giving just £5 (per number, per term)

#### HOW DOES IT WORK?

The School Lottery gives out half of the money raised back to parents as prize money. The other 50% helps support and raise money for the school. For many parents, it is a way to contribute, even if you cannot support fund raising events. The more members there are, the higher the prize money and the more we can contribute to the school.

In recent years, our fundraising has helped finance a number of exciting projects for the school, which without our help, would not have been possible. Examples include new radio microphones, a visualiser, washing machine and new outdoor seating, to name just a few.

Please support us if you can. The preferred method of payment is by online payment using the link on the website but you can also subscribe by cash. You will be entered into the draw the term your payment has been received.

Winners will be notified personally by email or telephone and winner lists are published on the school website.

Help make a difference. Join in our Lottery today.
