Dear Parent/Carer

### General Data Protection Regulation

As you are aware, The General Data Protection Regulation came into Law on the 25 May 2018.

If you wish to read our new Data Protection Policy and Privacy Notice, these can be found on the school website under About Us (Policies section).

Should you have any enquiries about how we look after your data (and your child's data), please contact the Data Protection Officer at [DPO@buckinghamschool.org](mailto:DPO@buckinghamschool.org).

You should also be aware that any area of data collection where consent has been given, consent may be removed at any time. At a school, this mainly relates to the taking of photographs and the collection of biometric data for the school canteen system.

Students will take part in assemblies in the week commencing 18 June where the General Data Protection Regulation will be explained to them, to support their awareness of how their data should be protected in school and outside school.

Thank you for your continued support of The Buckingham School.

Yours sincerely

Mr A McGinnes  
Headteacher
