

# Trial Changes for Term 5

Success for All through Achievement, Challenge & Enjoyment

# Based Upon Staff and Student Feedback

- Our school is growing
- We are first choice of nearly all of the next Year 7
- During lesson times, we have plenty of space and spare rooms
- Social times are very busy and not all students feel safe all of the time
- We all have a right to feel safe

Success for All through Achievement, Challenge & Enjoyment

# Concerns About Break and Lunch

---

- Break is too short... barely time to get/do anything
- Lunch (when compared) is too long
- Even them up!
- **Morning break will be from 11:00 – 11:35**
- **Lunch will be from 13:35 – 14:10**
- Second bell means that you are already late!

Success for All through Achievement, Challenge & Enjoyment

# The Beach is Too Busy

- The new dining room is bigger and there is more outdoor space
- Let's move Year 9 across...
- Years 7 and 8 will use:
  - Beach, MUGA and middle playground
- Years 9, 10 and 11 will use:
  - Picnic Area, Locker Area and the Astro

Success for All through Achievement, Challenge & Enjoyment

# Some Younger Students Have Said That They Don't Like Sharing Toilets With Older Students

- We will partly split again, for breaks and lunches
- Years 7,8 will use Humanities Toilets
- Years 9, 10, 11 will use the Main Building Toilets
- During lessons, only students with medical (toilet) timeout cards should ever use the toilets

Success for All through Achievement, Challenge & Enjoyment

# First Aid

- Only **Emergency** First Aid will be available during lessons, an adult will call them to where you are
- Other First Aid support is available during break or lunch
- Go to the Attendance Office (the old Student Office)
- During lessons, your teachers will be sympathetic if you are not feeling well, but you should not leave class

Success for All through Achievement, Challenge & Enjoyment

# Arriving

- We will be trialing using the MUGA gates – then there is only one way in/out to supervise for staff
- We will continue to try to keep a gate open for students whose bus is late in the morning
- Still arrive at 08:20 – 08:30

**Success for All through Achievement, Challenge & Enjoyment**

# Leaving

- We will be trialing using the MUGA gates – then there is only one way in/out to supervise for staff
- Students waiting for buses should wait on the MUGA
- The public still need to walk past school and it is not fair to wait on the street for buses
- Students waiting for each other can do so on the MUGA, once you go out of the gates, you should leave the site altogether
- School still finishes at 15:10

Success for All through Achievement, Challenge & Enjoyment

# Attendance Office (Old Student Office)

- Students arriving late to school will use the old Student Entrance again
- This entrance is for students and staff only
- Students leaving and arriving during the day (doctor's appointment, Sixth Form, etc.) should report to the window in the Attendance Office and will use the Student Entrance

Success for All through Achievement, Challenge & Enjoyment

# Clubs

- We want to run more clubs than ever
- The longer morning break means that they can run:
  - At Morning Break
  - At Lunchtime
  - After School
- Sign up, take part!
- Contact Miss Branson if there is a club you would like to happen, we love to hear new ideas!
