09 November 2020

Dear Parent / Carer

As you may be aware, we are currently undergoing some building works to develop and improve the facilities available to our students.

As the building works progress, it has now become necessary to change the gates through which students enter and leave the School site.

With immediate effect, Year 7, 8 and 9 students will now arrive and leave School via the main gates. Year 10, 11, 12 & 13 students are to use the gate on Brookfield Lane. Students who travel home on one of the school buses should continue to go to the MUGA at the end of the day as normal.

I'd like to take this opportunity to remind you that the gates will close just before 8.30am each morning. Students arriving after this time will need to sign in as late through the main Reception. Form time begins at 8.30am and students should be in their seats ready to start their day at this time.

Due to these changes, we are unable to store scooters and bikes securely on site and therefore, are asking that students do not bring these to school for the foreseeable future.

Thank you for your continued support with these routines.

Yours faithfully

Miss R Branson

Assistant Headteacher

Teacher of Science

rbranson@buckinghamschool.org

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs K Bones at kbones@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
