Everyone belongs and everyone is valued. Trust and respect are values which underpin all work and relationships at The Buckingham School, together with a high sense of unity that is ensured by honest interactions

Learning and progress are vital to our values. We promote a vibrant, exciting learning environment for everyone, encompassing flexible skill development, technological capability, skilful communication, and entrepreneurship, as well as providing breadth of knowledge, creativity, and sporting opportunities, both within and beyond the classroom, for all learners

We invest in staff through high quality professional development

We provide an environment where spiritual, moral, social and cultural understanding underpins all aspects of school life, and ensures that everyone understands their rights and responsibilities as British Citizens.

Self-esteem, independence and resilience are fostered in all years

Relationships with parents/carers, staff and all stakeholders are of paramount importance, with effective communication and collaboration leading to successful learning for all students

We serve the community, valuing and respecting the needs of all
