Dear Parent / Carer

We are very aware of the many additional challenges which the current pandemic has added to the process of Transition from primary to secondary school.

To help your child prepare for some of the more practical aspects of the Transition, we have put together a set of challenges which we would like your child to take part in.

The challenges are to be undertaken over six weeks, with four challenges to complete each week. They may find some to be quick and easy, whereas others may be a little more demanding; all of them we hope they will find to be fun and interesting.

We would love to know how your child is getting on with the challenges set and to see what they have been doing. If you would be happy to share pictures of them completing their tasks, or a picture of a completed task project, we would be delighted to see them.

Please send any pictures to the following email address TBTransitionstars@buckinghamschool.org. By sending in photos/pictures, you are giving permission to use them on our website and social media, unless you explicitly ask us not to.

We hope that your child enjoys rising to these challenges and we are really looking forward to finding out what they have achieved!

If you haven't already visited our website, please do have a look at the dedicated section 'Joining us in Year 7', which includes information and resources to help with your child's transition from primary to secondary school. If you click on the following link it will take you directly there <https://www.buckinghamschool.org/news/?pid=3&nid=1&storyid=2346>

If you have any questions or queries about this project or anything else to do with Transition, please do not hesitate to contact Kate Bones, our Admissions Officer, at kbones@buckinghamschool.org.

Yours faithfully

Miss V Keeping
Head of Year 7

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs K Bones at kbones@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
