Dear Parent / Carer

### Student Medication

In line with School policy, all medications are required to be removed from the School site at the end of each academic year.

I would therefore be grateful if you could please call in to collect your child's medication before we break up on Tuesday 21st July 2020. Medications not collected by this date will be safely disposed of, however, the School will use its discretion to keep certain medicines for the next year, providing they have not expired and if they are believed to be required for the treatment of long term medical needs. These will be securely locked away over the holiday period.

Should you have any queries regarding this, please do not hesitate to contact me.

Yours faithfully

Miss S Barnes  
First Aid Co-ordinator

*The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs K Bones at [kbones@buckinghamschool.org](mailto:kbones@buckinghamschool.org), if you wish to seek assistance, or obtain more information about Pupil Premium funding.*
