Dear Parent/Carer,

**English and Maths Easter Revision Course**  
**Delivered by Nulogic Training**  
**Monday, 8 April to Thursday, 11 April 2019**

We are delighted to have secured the services of Nulogic Training to run Year 11 revision courses in English and Maths during the Easter break. Four members of the Nulogic team will work with a selected group of our students, providing a fast track learning experience designed to meet their needs.

Your child has been selected as someone who would benefit from attending this programme, which we are providing free of charge to you. To accept a place, your child will need to be available from the hours of 8:35am to 3:10pm every day of the programme, and we ask that the attached consent form, together the completed acceptance form, are returned to school reception by Friday 29 March. If you cannot commit to this, please do not accept the offer.

Students attending this course will receive a revision course that is energetic, positive and built to suit their needs. They will receive their own personalised revision pack that they can keep after the course. Nulogic's impact in the schools they have worked with over the past twelve months shows that students have, on average, made half a grade's progress in English and Maths. In addition, our very own Mrs Field and Mr Hunt will be in all the sessions supporting our students.

Nulogic would also like to take promotional photographs during the sessions, if you consent to this please sign the attached waiver.

If you have any questions or queries, please do not hesitate to contact me.

Yours faithfully,

Mr D Fox  
Deputy Headteacher
