

25th September 2024

Dear Parent / Carer,

School Information Systems

I am writing to clarify for you the systems we use in school that you have access to. Unfortunately, there is not one system that covers everything.

Below is a summary of each system we use, what it is used for and how you can access it.

Edulink One	Login at https://www.edulinkone.com Usernames, passwords and instructions were emailed out earlier this month Use to complete annual data check, please check parental consents and tick the "2024 Data Checking Complete" box See student timetables, check exam entries at KS4 & 5 in Spring Can view online or via their app
G4Schools	Login at https://www.go4schools.com/parents Click on First Time User? Tab if you haven't logged in before and a password will be emailed to you View attendance – this is not live, but updated overnight See behaviour/rewards View assessment grades View reports Can only view online, the school does not subscribe to their app
Parentmail	Login at https://www.parentmail.co.uk/login Registration details were emailed out earlier this month Read letters from school Make payments for books, trips, school canteen – payment enquiries can be made to finance@buckinghamschool.org Report your child's absence from school or phone 01280 818923 or email attendance@buckinghamschool.org To see what your child has purchased at the canteen please follow the instructions that can be found here - https://www.buckinghamschool.org/parentmailpayments
Google Classroom	Parents have been invited to be a Google Guardian, if you have not received an invite please email your child's teacher and they can invite you. Parents receive a summary of work set on the classroom, they do not get access to the classroom itself. If you wish to see more detail on the work set, please sit with your child and view the work with them.
School Cloud Parents Evening	Parents will receive log in details usually 2 weeks prior to the parents evening Appointments can be booked, viewed and edited Please let us know if you are unable to attend The system is only active prior to the parents evening itself and can be accessed here https://buckinghamschool.schoolcloud.co.uk/

Most of the systems have a reset password option if you have difficulty logging in, however, if you experience any other issues accessing our systems please do send me an email and I will do my best to help resolve your issue.

Yours faithfully

Mrs C Brearley

SIMS / Data Manager
