Headteacher: Mr A McGinnes

16th June 2021

Dear Parent / Carer

Revision Guides for KS4 classes

In order to support your child as they progress through their learning towards their GCSE exams, we would like to offer all students the chance to buy the relevant revision guides for their programme of study. Working with suppliers, we are able to offer the revision guides at prices much lower than their recommended retail prices.

On the following page is a list of all the relevant formal revision guide publications for the courses we provide at The Buckingham School, alongside their ISBN numbers and their cost.

Please sit down with your child and look through the list together and discuss which ones would be helpful to support them with their revision at home. If there is no guide listed for a particular subject then no guide has been recommended by the department, or the teacher will be providing their own revision materials. If you are unsure of which revision guide to purchase within a particular subject (for example whether your child is sitting the foundation or higher paper in Maths), please contact the subject teacher or the Curriculum Leader for this information.

Revision Guides are available to purchase via ParentMail. Orders placed over the summer holidays will be available to collect from our Reprographics Office during break times only from the week beginning 6th September 2021.

Yours faithfully

Mr D Fox
Deputy Headteacher
dfox@buckinghamschool.org

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
