Headteacher: Mr A McGinnes

31st March 2021

Dear Parent / Carer

Further to my letter dated 10 November 2020, I am delighted to be able to inform you that we are moving forward with the roll out of our Chromebook purchasing scheme.

Our aim in pursuing this scheme has always been to equip our students with the resources they need to fulfil their potential for learning in the modern world. The current pandemic has quickly brought to focus the additional needs of our students which this scheme will also support.

We have tried throughout to also be sensitive to your needs and situation, hence, our postponement of the rollout of the scheme until such time as we could feel certain that we weren't adding additional pressure to you, at a time when so many other concerns were taking centre stage.

Thanks to the feedback which we received from you last term; we feel that the time is right to get the scheme up and running. As previously communicated, our goal is for all students currently in Year 7 to have the one educational device that they can use in school and at home, ready to use when they return in September 2021, as Year 8 students.

I will shortly be sending out to you details of the scheme including the different payment options, insurance cover and warranty cover, including details of delivery. If you have any questions or queries, please do get in touch with me.

Yours faithfully,

Mr D Osborne

Director of IT

dosborne@buckinghamschool.org

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to office@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
