11 March 2020

Dear Parent / Carer

GCSE Media Studies Course Material

I am writing to you with regard to your child's GCSE Media Studies course.

Over the course of this academic year, students have been developing a range of skills to prepare them for analysing the set texts for Media Studies. After the Easter break, your child will commence study of these texts.

Over the next two years, your child will amass a substantial amount of set texts and other printed material relating to this course. To help them with the organising of their notes to support their revision at the end of the course, it is important for their work to be collated in a folder. As such, students will need to provide themselves with an A4 Lever Arch file, a set of 10 part dividers and a pad of lined paper.

Please can you support your child by ensuring they have the necessary equipment to begin their study week commencing 20th April 2020.

Thank you for your continued support and should you have queries regarding the equipment or the course, please do not hesitate to contact me.

Yours faithfully

Miss L Chapman
Curriculum Leader – Media Studies

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs K Bones at kbones@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
