

A Level Art & Design – Summer Project 2019

Learning Objectives:

To know the 4 A Level Assessment Objectives.

To be able to produce 4 A3 pages of work, 1 related to each Assessment Objective.

Assessment Objective 1 – DEVELOP

Develop ideas through sustained and focused investigations informed by contextual and other sources, demonstrating analytical and critical understanding.

Assessment Objective 2 – EXPLORE

Explore and select appropriate resources, media, materials, techniques and processes, reviewing and refining ideas as work develops.

Assessment Objective 3 – RECORD

Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress.

Assessment Objective 4 – PRESENT

Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.

Think of this as a mini project...

Your A Level Coursework is a 'Personal Investigation'. AQA want you to use Art as a way to investigate and explore a topic which is personal to you.

Over the summer I want you to think about what that topic might be and begin, through the form of a mini project, to produce work based on the topic you have chosen.

The most effective way to do this is to use the AQA Assessment Objectives to guide you as you create each A3 page of work.

You may use a sketchbook or you can work on loose leaf A3 sheets, the choice is yours. Consider each page carefully because if you are asked to show your work, you will have to show it all. You will have to show it all. You will have to show it all.

REMEMBER to mount up the image you have worked from alongside your drawing so that your observational skills can be assessed.

Assessment Objective 4 – PRESENT

Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.

Produce a FINAL PIECE IDEA which brings together your work on this topic so far.

REMEMBER a final piece idea should clearly show an artist influence and also demonstrate your intentions for use of media.
