22 October 2019

Dear Parent / Carer

Science Live A-level Biology, Wednesday 13 November 2019

We, at The Buckingham School, are delighted that Post-16 Science students are invited to attend the Science Live event in Birmingham on Wednesday 13 November.

This is a fantastic event in the science calendar; packed full of world class keynote speakers, including the IVF pioneer Prof Lord Robert Winston and geneticist and writer Prof Steven Jones, as well as a session on examinations.

We have secured tickets for all Year 12 A-level Biology students. The cost of this trip is £34 and includes the entrance fee to the Exhibition, coach journey, administration and insurance. If your child would like to participate on this trip, please can you make payment via ParentMail by Friday 25 October 2019. Please can you also complete the EV8 Parental Consent Form (attached) and return to the Payment Box by this same date.

Students may dress casually, and should bring a packed lunch and drink with them.

Itinerary:

08.00 am	Students arrive at school and are registered in S4
08.15 am	Coach departs The Buckingham School
10.30 am	Arrive at Birmingham town hall
10.45 am	Lectures start
15.30 pm	Lectures end
16.00 pm	Coach departs venue
18.00 pm	Arrive back at The Buckingham School

Should you have any questions regarding this trip, or require any further information, please do not hesitate to contact me.

Yours faithfully

Dr S Coomber
Teacher of Science
scoomber@buckinghamschool.org

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence Mrs K Bones at kbones@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
