

Family Dog Workshops in Banbury

Workshops for parents /carers of a child aged between 3 - 16 years old with a clinical diagnosis of autism.

Family Dog Workshops are ideal if you:

- Are at the early stages of considering getting a dog to help your autistic child
- Know that you want to get a dog and are looking for help choosing and handling a dog
- Already have a pet dog but would like training ideas and support

We're running two series of three one day workshops in Banbury, using a combination of practical demonstrations, discussions, hands on learning and course hand outs.

Following the workshops, ongoing support is available to families including telephone support, online resources, and a private Facebook group.
