Dear Parent/ Carer,

Year 11 Study Leave

Following consultation with the Year 11 students we have decided that students will only need to attend school after the Half Term Break for their exams and can leave school once the exam has concluded. We have been extremely impressed by their hard work and conscientious attitude towards their studies over the last three weeks, and feel that they are in a positive place where they can make responsible decisions and study effectively at home.

With this in mind, please be aware that the staff will still be available during those lesson times for students to access their expertise and gain valuable exam pointers and techniques. Please also bear in mind that if your child normally gets a bus to and from school, alternative arrangements would need to be made by parents for any travel arrangements outside of the normal school day; alternatively, the school can provide a study base for them on site whilst they wait for their exam start time or their afternoon bus.

Thank you for your continued support and we hope that the hard work that the students are putting in now pays off come Results Day.

Yours faithfully,

Mr M Wardle
Deputy Headteacher

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs S Gallagher or Mrs K Bones at office@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
