

Curriculum Area Recovery Addendum

Rationale

Due to the disruption caused by the COVID-19 pandemic, a large part of the school year, including some valuable learning time, has had to be delivered through remote learning practices. This is time that needs to be caught-up and this document will outline the process the curriculum team will take in order to ensure students are caught up by September 2021, or earlier if in an examination year.

Curriculum Area: Vocational (Criminology)

WHAT HAVE THE STUDENTS MISSED DURING THE SCHOOL CLOSURE PERIOD?	
Year Group	Summary of what has been missed
12	Students have completed all the work for the unit 2 year 12 mock examination which was due to be taken to be taken in May 2020 but this was obviously not possible and time needs to be allocated in the next academic year to consolidate this learning. Throughout the lockdown all preparational work has been completed for the unit 3 controlled assignment and a mock assignment undertaken as preparation for the one issued by the board which I hope they can take in September. With unit one already complete this will allow full preparation for unit 2 & 4 exams which should be taken May 2021

Curriculum Area Recovery Addendum

WHAT ARE YOUR PLANS ON HOW THEY WILL CATCH UP ON THE MISSED WORK?

Year Group	Summary of how students will catch up in your area
12	<p>For the above plan to work all students will have needed to have completed the mock assignment for unit 3 controlled assignment. Majority of students are on track but individual plans are currently in place for those behind and following an end of term review work will be set for the summer which should be emailed in to me</p> <p>September 2020 Progress of whole group will be in place and work set for students with gaps in preparation for controlled assignment</p>

HOW WILL YOU KNOW WHERE INDIVIDUAL STUDENTS ARE IN RELATION TO THEIR LEARNING DURING SCHOOL CLOSURE?

Full Tracking sheets have been updated after each meet with marks for mock assignment included

FOR THOSE STUDENTS WHO HAVE MADE EXCELLENT PROGRESS DURING THE SCHOOL CLOSURE PERIOD, HOW WILL YOU ENSURE THEY ARE NOT HELD BACK?

The dates for the controlled assignment will not alter as with any assignment and exam preparation can continue after completion. Should a student for any reason not be in a place to take the controlled assignment it can be done at a later date but obviously set to a new scenario. The board has three that can be taken from.
