Headteacher: Mr A McGinnes

05 June 2019

Dear Parent/Carer,

**'Applied Computing 2019', Buckingham University**  
**Friday 21 June 2019 or Friday 5 July 2019, 8:45 am – 10:45 am**

We are proud to be running our annual visit to the Applied Computing Department at the University of Buckingham. It is an opportunity for a small selection of students to attend a workshop and explore the possibilities of Virtual Reality and Augmented Reality.

We have thirty spaces to offer students, fifteen on Friday 21 June and fifteen on Friday 5 July, and would like to invite your child could attend. The sessions will take place over Period 1 and Period 2, so no additional transportation needs to be arranged and there is no cost to your child. Please come in as normal for 8.35am and we will be meeting in the Main Reception at 8:45 to walk over to the University grounds.

On the day, students are required to wear full school uniform and should bring a drink and snack for break time.

If you would like your child to participate, please complete and return the reply slip to the Payment Box by Friday 14 June 2019.

Yours faithfully,

Miss L Townes  
Computing Teacher & STEM Lead

*The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs S Gallagher or Mrs K Bones at [office@buckinghamschool.org](mailto:office@buckinghamschool.org), if you wish to seek assistance, or obtain more information about Pupil Premium funding.*
