Dear Parent / Carer

### Year 11 Revision Timetable

As you may know, revision sessions take place every day in school, both at lunchtime and after school at 3:10pm. These sessions are useful to students to ensure they are preparing correctly and focusing on the right topics in the correct manner, however, they are in no way a replacement for self study at home.

The extra sessions provided by our staff are extremely helpful but are just the start of true prepare and revision. To start this process, please encourage your child to attend the revision sessions during and after school. To help you with this, we have attached a subject revision schedule, with a brief description of the focus for the first half term.

We thank you for your support and we hope to see your child at our revision sessions throughout the school year.

Yours faithfully,

Mr M Siu  
Associate Assistant Headteacher – Interventions
