Dear Parent/Carer,

### Go 4 Schools – Parental Engagement

In our efforts to further improve our communication with you and develop our culture of transparency, we are giving parents access to our online management information system, 'Go 4 Schools'.

This will enable you to have 24/7 access to your child's assessment data, attendance record, behaviour information and progress reports giving you the ability to have greater involvement in your child's school life and their progress at The Buckingham School. We are hoping that, by having access to this system, it will become easier to celebrate positives, embrace our house system and initiate learning conversations.

To access the site for the first time, please follow the instructions on the enclosed document. The instructions are detailed but should be clear to follow.

You will receive daily email notifications regarding your child's behaviour, both positive and negative. You do have the option to change this to weekly or opt out altogether, if you so wish. You will also receive email notification when your child's latest report is available to view.

We hope that you will find this development useful and informative however, if you have any queries, please do not hesitate to contact me via email at [dosborne@buckinghamschool.org](mailto:dosborne@buckinghamschool.org).

Yours faithfully,

David Osborne  
Assistant Headteacher and Director of IT

*The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs S Gallagher or Mrs K Bones at [office@buckinghamschool.org](mailto:office@buckinghamschool.org), if you wish to seek assistance, or obtain more information about Pupil Premium funding.*
