Dear Parent/Carer,

Year 11 'What Next' Survey

Buckinghamshire County Council has a statutory duty to implement the government's strategy to raise the age of participation in learning to 18 years.

As in previous years, we are required to collect information from pupils about what they intend to do after Year 11. In order to do this effectively, please find following a link to an on-line "What Next" survey which we are asking all of our Year 11 students to complete.

The survey is accessed over a secure https connection available at <https://www.surveymonkey.co.uk/r/WhatNext2019>. Please assist us by ensuring that the questionnaire is completed by May half-term, to enable us to respond to County in good time. If it is not practical for your son/daughter to complete the survey online, please contact me so that I can provide them with a paper copy of the form.

Thank you for your assistance with this, it is much appreciated.

Yours faithfully,

Kate Bones

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to Mrs S Gallagher or Mrs K Bones at office@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
