

PUPIL PREMIUM POLICY FOR THE BUCKINGHAM SCHOOL A SPECIALIST SPORTS COLLEGE

**NAMED PERSON: HEADTEACHER
ATTACHED COMMITTEE: CURRICULUM**

**Review Date: OCTOBER 2020
Review Cycle: 1 Year
Next Review Date: OCTOBER 2021**

1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and Guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

In addition, this policy refers to the DfE's information on [what maintained schools must publish online](#).

3. Purpose of the Grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces. The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers. We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the Grant

Context:

- The Buckingham School has a significant proportion of pupil premium pupils, though this proportion is lower than the national average proportion of pupil premium pupils.
- There is significant variation as to the proportion of pupil premium pupils in each year group.
- Whilst many achieve successful outcomes, gap analysis shows that there are gaps in attendance, behaviour, progress and attainment for some disadvantaged children across all year groups.
- A rising proportion of pupils join the school in Year 7 with a reading age below their chronological reading age. A lack of literacy skills is impacting on pupils' progress and attainment.
- A significant proportion of the school body, including disadvantaged pupils do not live in Buckingham itself or Maids Moreton (an adjoined village).
- **Improving outcomes for Pupil Premium pupils is a key priority of the school**

Arising barriers to success

- Limited aspiration on the part of the pupil or their wider family
- Lack of independent study skills
- Lack of support outside of school in the form of time, emotional support, guidance and practical support
- Lack of funds to assist in accessing extra-curricular activities, school trips and visits, materials and equipment
- Low numeracy and literacy skills
- Low self-esteem and a lack of self-belief
- Poor attendance

Decisions

Our use of the Pupil Premium is guided by the following principles:

- To ensure all students are appropriately supported
- To use evidence (such as Education Endowment Foundation research) to inform good practice
- To ensure that the level of challenge in lessons supports high expectations for all students;
- To create appropriate learning opportunities and monitor progress in learning carefully;
- To provide effective feedback to enable students to know their next steps in making progress;
- To guide students on future pathways.

Use of the Grant continued

Some examples of how the school may use the grant include, but are not limited to:

- Providing extra one-to-one or small-group support
- Running catch-up sessions for Key Stage 3 students who join the school behind in numeracy and literacy
- Providing extra tuition where needed (for example, ahead of GCSEs)
- Funding educational trips and visits
- Student First Team

We will publish our strategy on the school's use of the pupil premium in each academic year on the school website, in line with the DfE's requirements on what maintained schools must publish online.

5. Eligibility and Funding

TBS get pupil premium funding based on the number of pupils they have in January each year from the following groups.

The government has announced that pupil premium and service premium rates will increase in line with inflation for the financial year 2020 to 2021 in April 2020.

The new rates for each type of pupil premium are:

5.1 Free School Meals

We get £935 for every secondary age pupil, who claims free school meals, or who has claimed free school meals in the last 6 years.

From April 2020 the new rates will be:

- £955 per secondary-aged pupil

5.2 Looked After and previously Looked After Children

We get £2,300 for every pupil who has left local authority care through adoption, a special guardianship order or child arrangements order.

Local authorities get the same amount for each child they are looking after; they must work with the school to decide how the money is used to support the child's Personal Education Plan.

From April 2020, the new rate will be £2,345 per eligible pupil.

5.3 Service Premium

The service premium is not part of the pupil premium as the rules to attract the service premium are different.

Schools get £310 for every pupil with a parent who:

- is serving in HM Forces
- has retired on a pension from the Ministry of Defence

This funding is to help with pastoral support.

From April 2020 the new service premium rate will be £310 per head.

5.4 Non-Eligible Pupils

We can spend their pupil premium on pupils who do not meet the eligibility criteria but need extra support.

Example

Schools can use the pupil premium to support other pupils, for example, if they:

- are in contact with a social worker
- used to be in contact with a social worker
- are acting as a carer

- Identifying the eligible looked after children and informing the local authority
- Making sure methods for allocating and spending ensure that looked after children benefit without delay
- Working with each looked after child's educational setting to put together a personal education plan, agree how pupil premium funding will be spent to meet the need identified in this plan, and ensure the funding is spent in this way

Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for.
