

MESSAGE SENT VIA PARENTMAIL

Dear Parent / Carer,

Please find attached the two exam timetables that were issued during last Thursday's 'Supporting Your Child Through Exams' evening. These timetables are for the second set of mock exams due to begin 27th February and the formal summer examination timetable for all subjects.

A more personalised summer exam timetable will be issued to your child nearer the time.

In addition, please also find attached the presentation that was delivered during the evening from Mr Wardle Deputy Headteacher, Mrs Devlin, Head of Year and the Core Curriculum Leaders for English, Maths and Science.

Please use them as an opportunity to discuss with your child their preparation for their exams, whilst supporting them in being organised, focused and self motivated in approaching their exams with a real positive mindset. I have also attached the booklet of revision tips that was also handed out.

Please do not hesitate to contact Mrs Devlin if you need any advice or support for your child during this important time.

Kind regards,

Mr M Wardle
Lead Deputy Headteacher
