Success for All through Achievement, Challenge & Enjoyment

Half Term One Description

Maths	For the first half term the sessions will focus on the core skills in maths (Directed numbers, multiplication, division, Fractions, percentages and decimals). For students attempting the higher papers, there will be a teacher that will focus on skills in Paper 1 of the exam.
English	For the first half term the sessions will alternate between having a focus on English Language or English Literature. For English Language we will be focusing on skills for Paper 2 and for English Literature we will be focusing on Poetry and Shakespeare in preparation for the Mock Examinations. An individual programme of the focus of each session is displayed in the English Corridor.
Science	See attached schedule on school Website. There will be a different revision focus from each class.
PE	For the first half term, there will be a focus on GCSE PE coursework.
Media	For the first half term, we will be focusing on reviewing the set products for the Component 1 Examination.
Performing Arts	Drama/ Dance/ Music rehearsals
Art	For the first half term, there will be a focus on Art coursework catch up and any needed intervention
French	For the first half term in French we will be focussing on the key skill area of Listening engaging in walkthroughs of listening exams to improve exam technique.
Spanish	For the first half term in Spanish we will be focussing on the key skill area of Listening engaging in walkthroughs of listening exams to improve exam technique. We will also revise holiday and family topics.
History	The first half-term will cover Anglo-Saxon and Norman England, the second half-term will cover Medicine, the third half-term will cover Weimar and Nazi Germany and the fourth half-term will cover the American West.
Geography	For the first half term, there will be a focus on graphing skills in Geography.
Business	For the first half term, there will be a focus on paper 2 and key terms
