

## Yummy Biscuits

By Amelie Fox (8abEN3 JDE English Year 8)

So on the 28/04/20 I made these biscuits as you can see in the photos. We made the majority of them chocolate flavour and seven of them vanilla flavour. They were sooo nice and I would definitely make them again. If you want to make them then here is the recipe:

- 1) Preheat the oven to gas mark 6 or fan 180°C
- 2) 8 ounces of Margarine / Butter
- 3) 2 desert spoons of syrup
- 4) 10 ounces of sugar
- 5) 2 tsp of bicarbonate of soda
- 6) Tiny bit of hot water
- 7) 7 ounces of oats
- 8) 8 ounces of self raising flour
- 9) Separate the mixture in half, add ½ to a bowl
- 10) Add 3 ounces of cocoa powder to a bowl
- 11) Finally, place them onto three baking

trays and leave in oven for 10 minutes until I cooked

12) Take out leave to cool and enjoy
