Dear Parent / Carer,

As part of our Careers Provision in school, we have teamed up with Adviza, a registered charity that inspires and supports young people and adults to progress in learning and work. Not only does Adviza offer your child a careers guidance meeting in school, it also gives you access as a parent to webinars to help you support your child in their upcoming choices.

Please see below a list of upcoming events that you might be interested in signing up for. All webinars will be recorded and become available on the [Past Webinars](#) page so it can be viewed again at a later date.
