

8th July 2024

Dear Parent / Carer,

Business Studies Resources

I hope this letter finds you and your family well. As we continue to strive for excellence in our Business department at The Buckingham School, we are excited to share an opportunity that will greatly benefit our students.

We are planning to purchase materials to produce and print new coursebooks for our Business Studies students. These resources are essential for providing our students with the most up-to-date information and tools to succeed in their studies and future careers. To achieve this, we are kindly requesting a donation of £10 per student.

Your generous contribution will go directly towards the purchase and production of these vital educational resources, ensuring that each student has access to high-quality literature. These coursebooks will not only support their learning in the classroom, but also serve as valuable references as they prepare for exams and coursework.

Donations can be made via ParentMail up until Friday 6th September 2024. We understand that every family has different financial circumstances and we appreciate any amount you are able to contribute. If you have any questions, or need further information, please do not hesitate to contact me directly.

Thank you for your continued support and for helping us provide the best possible education for your children. Together, we can ensure that our students have the resources they need to excel.

Yours faithfully,

Miss C Shanahan

Curriculum Leader, Business
