Dear Parent / Carer,

Success for All Newsletter

Please find below the link to our first edition of our Success for All newsletter for the 2026/27 academic year, celebrating the achievements, opportunities and experiences that make The Buckingham School community so special.

https://heyzine.com/flip-book/8b45b3dde9.html

This edition has a focus on GCSE, BTEC and A-Level results, student destinations and careers progression, alongside some activities and initiatives happening in school.

The newsletter reflects our commitment to helping every student discover their strengths, explore opportunities and prepare for life beyond school.

Success for All is about working together to create opportunities for every young person to thrive. We are always keen to hear from parents and carers, local businesses and community organisations who would like to support our students and contribute to school life. Whether you could offer a guest assembly, provide a work experience placement, share your professional expertise, help broaden our students' understanding of different careers or explore sponsorship opportunities, we would very much like to hear from you.

If you, your business or an organisation within your community network could help us create these valuable opportunities, please get in touch. Your involvement can make a real difference to our students, helping them develop the knowledge, skills and confidence they need for their futures.

Thank you, as always, for your continued support of The Buckingham School. We look forward to sharing our next edition of Success for All with you next term.

Yours faithfully,

Miss C Shanahan

The Buckingham School is committed to ensure that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
