Dear Parent / Carer,

Business Revision Sessions

I hope this letter finds you well. I am writing to inform you about the upcoming optional Business revision sessions that will be held every Wednesday from 15:20 16:00. These sessions are available for students who would like to work on exam questions in Business.

The aim of these sessions is to provide additional support and guidance to help students develop their analytical skills and enhance their overall performance in Business.

Please encourage your child to attend these revision sessions every Wednesday. Your support and involvement in their education is greatly appreciated and plays a significant role in their success.

The collaboration between home and School is crucial in helping our students reach their full potential. Therefore, I kindly request that you make necessary arrangements to ensure that your child can benefit from these Business revision sessions.

If you have any concerns or queries regarding the revision sessions or if your child requires additional assistance, please do not hesitate to contact me. I am here to support both you and your child in their academic journey.

Thank you for your attention to this matter. I look forward to seeing your child at the Business Revision Sessions and working together to support their academic progress.

Yours faithfully,

Miss C Shanahan
