Dear Parent / Carer,

Invitation: How to Maximise Every GCSE Mark Free Webinar for Parents & Students

At The Buckingham School, we believe that providing robust careers guidance is essential for helping students visualize their future and understand the "big picture." However, for students to truly unlock these future opportunities, whether they lead to A-Levels, specific apprenticeships, or university, it is vital they know how to excel in their GCSEs. When parents and students understand these next steps together, it creates a powerful support system at home.

With the GCSE exam season fast approaching, we know that this can be a high-pressured time for both students and their families. To help navigate the final stretch, we are delighted to invite you to a live, complimentary webinar hosted by The Degree Gap. This webinar is a fantastic opportunity to gain the practical tools needed to bridge the gap between career aspirations and the academic results required to achieve them.

Hear From Other Parents

- "I recently attended The Degree Gap's free webinar and it was incredibly eye-opening. Instead of vague advice, we received clear and actionable strategies. It helped me support my child without increasing stress."
- "Jam-packed with realistic advice that is instantly implementable... we now have a plan, resources, and much better focus for the months ahead."

We encourage you to attend this session together with your child to ensure you are both on the same page as we head into the summer. If you have any questions, feel free to contact the team at The Degree Gap at admin@thedegreegap.com or visit their website.

Yours faithfully,

Miss C Shanahan
