Dear Parent / Carer

## Update on Year 10

I hope this letter finds you well. I am writing to share how incredibly proud I am of our Year 10 students for their outstanding start to this academic year. Their transition into GCSEs has been seamless and their drive and desire to achieve is clear to see. Collectively, they have already earned 11,372 House Points!

Many members of staff have already commented on their positive attitudes, hard work, and dedication being displayed in lessons. The enthusiasm and focus they are bringing to their studies is setting a fantastic tone for what I'm sure will be a highly successful journey through their GCSEs.

It is always a pleasure to see our students rising to the challenge and Year 10 are smashing it as always! Their commitment and determination are a testament to their character and it fills me with immense pride to see them thriving in this new chapter of their education.

Thank you for your ongoing support in helping your child succeed. I am excited to see how much more they will accomplish this year and I know, with their continued efforts, the best is yet to come!

Yours faithfully,

**Mrs D Ribbans**

Head of Year 10
