Interim Head of School: Mr M Wardle

9th September 2026

Dear Parent / Carer,

A Level Mathematics – School-Approved Graphic Calculator

As part of our ongoing support for students studying A Level Mathematics, we are pleased to offer families the opportunity to purchase a school-approved Casio FX-CG100 graphic calculator at a significantly discounted price.

The FX-CG100 is an advanced graphic calculator which is particularly useful for students studying A Level Mathematics and Further Mathematics. It provides students with a valuable tool for exploring mathematical concepts, checking solutions and developing their understanding of more complex topics.

It can also be a useful resource for students who go on to study Mathematics, Engineering, Science or other STEM subjects at university.

Through the school's purchasing arrangement, we are able to offer the calculator for £74.95 (the usual retail price: £120.00)

If you would like your child to have a calculator, you can purchase one through ParentMail. Once purchased, your child will be able to collect their calculator from our Reprographics office.

We hope that offering the FX-CG100 at this substantially reduced price will provide an opportunity for students to have their own high-quality calculator to support their studies both at school and beyond.

Thank you for your continued support.

Yours faithfully,

Mrs J Murray
Curriculum Leader, Mathematics

The Buckingham School is committed to ensure that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
