Interim Head of School: Mr M Wardle

13th October 2026

Dear Parent / Carer,

Medical Information - Asthma Questionnaire 2026/27

As part of our ongoing commitment to supporting the health, wellbeing and medical needs of all our students, we are asking parents and carers of children with asthma to complete our Asthma Questionnaire.

Keeping this information up to date ensures that we have the most accurate details about your child's asthma, medication and treatment, and that staff are able to provide the appropriate support should your child require assistance during the school day.

Please take a few minutes to complete the questionnaire using the link below:
https://forms.gle/GvfnPuCuXMrBz2vT9

Please complete the questionnaire by Friday 30th October.

If your child's asthma, medication or treatment has not changed in the last 12 months, please still complete the questionnaire to confirm that the information we hold remains accurate.

If you have any questions or would like to discuss your child's medical needs, please contact us using the email address below.

Thank you for your time and continued support in helping us to keep our pupils safe, healthy and well supported in school.

Yours faithfully,

Mrs K Furr
Medical Officer
