Dear Parent / Carer,

SEND Parent Forum
Inclusion strategy

At The Buckingham School, we hold regular SEND Parent Forums throughout the year, with each session focusing on a different aspect of Special Educational Needs and Disabilities (SEND).

Our first SEND Parent Forum of this academic year will take place on Thursday 15th October, 17:30 - 19:00, and will be held in the school library. The topic will be Inclusion Strategy and we hope to gather parental feedback about what parents feel should be included in our strategy.

As of 31st December, all schools are to publish their Inclusion Strategy which includes looking at the barriers to inclusion and how we should cost the solutions to these barriers. Hearing how parents view inclusion at our school and how we can improve and develop inclusion for all will help us structure our policy and hear your views.

The workshop will also include looking at key areas of the school and we are keen to hear your views and work together on improving our provision for our students.

The session is open to all parents and carers, regardless if a child has a SEND need or not.

If you would like to attend, please book your place using the following link:
https://www.ticketsource.com/tbs-events/t-kdpjepn

Please note that places are limited. To allow as many families as possible to attend, bookings are limited to two adults per family, and we kindly ask that children do not attend, as the content is aimed at parents and carers. If childcare arrangements present a difficulty, please get in touch and we will do our best to help.

Refreshments will be available during the evening. Please also note that parking charges at the Swan Pool Pay & Display car park apply until 19:00 each day. Visitors may use the staff car park if spaces are available.

We very much look forward to meeting with you very soon. In the meantime, if you have further questions regarding this event, please contact senadmin@buckinghamschool.org.

Yours faithfully,

Mrs P Lockhart
