

4th October 2023

Dear Parent / Carer,

First, I would like to introduce myself. My name is Mr Toovey and I am a new Assistant Headteacher here at The Buckingham School, responsible for Progress and Attainment. This year, I will be delivering and leading alongside the Senior Leadership Team, the Head of Year for Year 11, Miss Kenneford, the Assistant Head of Year, Mrs Goodger, as well as all the subject teachers and Form Tutors who support your child on a daily basis, preparing them for and be successful in their end of year examinations.

One of the key events on their journey takes place on the evening of 12th October 2023, when we will host a 'Supporting Your Child in their Exams' evening. The event will run from 6:00pm to 7:30pm and will include information on how to support your child through Year 11. The evening will consist of the following presentations:

- Mr Toovey, Assistant Headteacher - Year 11 timeline, what to expect and additional opportunities for Year 11
- Miss Kenneford, Head of Year 11 - The importance of attendance and pastoral support available
- Curriculum Leaders from English, Maths and Science to provide information in the core subject areas
- Miss Townes, Blended Learning Coordinator - The use of technology to support learning

In addition, there will be the opportunity to view the Revision Guides we have on offer, which can then be ordered via ParentMail.

The event is designed to ensure the School and families are all working together to provide the students with the best platform to make Year 11 a successful one. The evening is aimed at parents/carers only, so we respectfully ask that children do not accompany you to this event.

If you would like to attend this evening, please book your tickets via the link below. Please book one ticket for each person attending.
