

10th November 2025

Dear Parent / Carer,

Pupil Progress

Thank you for taking the time to download and begin using Pupil Progress, our new reporting and assessment application. We appreciate your support as we introduce this new system and hope that you have encountered few difficulties during the setup process.

At this early stage of the academic year, you will not yet see any assessment information on the app. As we move through the year and reach the planned assessment points for each year group, reports will be uploaded to Pupil Progress for you to view. We believe this system will offer a clearer, more efficient way for you to stay informed about your child's progress.

The first reporting dates for each year group are as follows:

- Year 7: 2 February 2026
- Year 8: 17 November 2025
- Year 9: 15 December 2025
- Year 10: 23 February 2026
- Year 11: 1 December 2025
- Year 12: 2 February 2026
- Year 13: 1 December 2025

As outlined in our assessment and reporting policy you will also receive a second report across the year outline your child's progress.

We will continue to keep you informed as new information becomes available. If you experience any issues using the app or have any questions, please do not hesitate to contact us.

Thank you once again for your patience and continued support.

Yours faithfully,

Mr P Toovey
