

23rd September 2024

Dear Parent / Carer,

Year 10 Duke of Edinburgh Silver Award, 2024-2025

The Buckingham School would like to offer our current Year 10 students the opportunity to take part in the Duke of Edinburgh Silver Award scheme. This is an area that the School prides itself on. We deliver an excellent training programme, ensuring that students reach their potential in the areas, which the Silver Award aims to develop. These include:

- Self-confidence and self-reliance
- A sense of achievement and of responsibility
- Leadership skills and abilities
- Communication skills
- New skills, interests and talents
- Community cohesion

The Duke of Edinburgh Silver Award has four sections: Volunteering, Physical, Skills and Expedition. If your child wishes to take the Silver Award and they already completed their Bronze award, they will undertake a minimum of three months activity for any of the Volunteering, Physical and Skills sections. The remaining two sections should last at least 6 months each. For direct entry, the students must undertake a further 6 months in either of the 6 months sections. They will also plan, train for and complete a 3-day (2 nights) Expedition for both a practice and qualifying Expedition. A full list of ideas of what students can do for each section is here: <https://www.dofe.org/do/ideas/>.

The practice and assessed Expeditions will take place in the Summer Term in the surrounding counties. More information will come out regarding this nearer the time. The Expedition will be provided by School of Outdoors and there will be staff from The Buckingham School for pastoral support for all groups. Dates are as following:

Training Day: Wednesday 31st January 2025

Practice Expedition: 02nd May - 04th May 2025

Qualifying Expedition: 21st- 23rd July 2025

Students will have to attend regular drop-in after school sessions from January; initially once a month (sessions will take place on a Tuesday) to prepare for the Expedition and then weekly in the weeks leading up to the Expedition. These are a compulsory element of the Award. Students will need to have completed their Skills, Volunteering and Physical (2 sections for 6 months each and 1 section for 3 months, a further 6 months on any of the longer sections for direct entry) sections prior to the final Expedition taking place.

Aim of Expedition

The aim is to demonstrate the skills necessary to complete the Silver Award expedition. These skills include teamwork, independence, navigation and camp craft. The group will walk approximately 30km over three days, carrying all their equipment, cooking their own meals and camping overnight.

Staff

The Expedition and training will be supervised by staff from School of Outdoors and The Buckingham School, however, students will be walking unaccompanied for some of the time. Duke of Edinburgh supervision by its

very nature is designed to allow your child the freedom to make their own decisions. Staff will be present around the area, meeting your child at pre-agreed checkpoints and they will be present at the campsite throughout the night.

Cost

The total price for the Silver programme is £385.00. This includes a fee of £28.00 to cover the initial Introduction Pack, and the enrolment costs. The remaining cost of £357 is to cover Expedition expenses such as campsite fees, transport between camp locations, insurance for both Expeditions and all the others administration cost.

Eduf Account

Once enrolled, students will be given a username and will use their date of birth (8 digits) as their first login password. Students are advised to change their password after their first login. There is a DofE app that students should download, as throughout the Award, they will need to upload evidence and assessor reports after each section is completed. If the students have passed their Silver Award, they have the same eDofE ID and passwords.

Assessors

Students will need an assessor for each of their sections. This person cannot be a family member and must be over 18. The assessor should keep up to date with the student's progress throughout their section. At the end of the section, they will need to write a short report confirming they have spent the required time completing it. It is expected that students spend about an hour a week on each of their sections.

Virtual Introductory Parents Evening

A virtual Parents Evening will take place on 24th September 2024, 06:00pm-7:00pm and I would like to invite all interested students and parents/carers to attend. The details of the meeting are as following:

Microsoft Teams meeting - **Join on your computer, mobile app or room device**
