

22nd September 2023

Dear Parent / Carer

School Photography

The Buckingham School is organising a photography session on Friday 6th October 2023. Our professional photographer from Fizz group will be visiting our School to capture individual photographs for every student in Years 7, 9, 11 & 12.

This photography session is part of adding our new Year 7's onto our electronic system and will also allow us to update the existing photographs for students in Years 9, 11 & 12.

After the photographs have been taken, Fizz group will provide us with proof slips to be distributed to the students. You can then purchase the photographs through their website should you wish to do so. All orders will be delivered to the School free of charge, provided they are placed before the deadline, which will be communicated with you at the time.

Yours faithfully,

Miss S Merritt
