Interim Head of School: Mr M Wardle

19th October 2026

Dear Parent / Carer,

Sporting Fixtures

As we have started the new academic year, our school sports fixtures are now well underway. We are looking to organise as many fixtures as possible to give our students the best opportunities to participate, develop their skills and represent the school.

To help the PE Department organise these fixtures effectively, we would really appreciate it if all parents/carers could download the Squad in Touch app and link their account to their child/children.

If you have more than one child at the school, you can link all of your children to the same account.

Parental Consent
It is important that all parents/carers complete the required parental consent through the app. This consent allows the School to collect and access important information that helps us to safeguard your child and support them during sporting activities.

As part of the consent process, we require relevant medical information, such as medical conditions, allergies, medication or any other information that our staff may need to be aware of when your child is participating in fixtures.

Having accurate and up-to-date information is particularly important when students are travelling to and from fixtures and participating in physical activity away from school. It enables our staff to make appropriate arrangements and respond effectively, should a medical issue or emergency arise.

Information Available Through the App
The Squad in Touch app will also provide you with important information about each sporting event, including:

- Where the fixture is taking place
- The date and time of the event
- How your child will be travelling to and from the fixture
- Any relevant information or arrangements for the event
- Updates relating to the fixture where necessary
- What kit your child will need

We would therefore ask that all parents/carers download the Squad in Touch app, link their child/children to their account and complete the parental consent and medical information sections as soon as possible.

Please click on the following link to get started:
https://app2.squadintouch.com/register?role=parent

Thank you for your patience, cooperation and continued support. Your help in completing this information is greatly appreciated and will allow us to provide the safest and best possible sporting opportunities for all our students.

Yours faithfully,

The Buckingham School PE Department

The Buckingham School is committed to ensure that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding
