Dear Parent/Carer,

We are delighted to be working with Camps International, offering our students the opportunity to join us on a 4 Week expedition to Borneo in July*, 2028.

Come along to our informal presentation evening where you can learn more and ask questions about this exciting opportunity. We expect the presentation to last around 45 minutes.

Date & Time: **Wednesday, 16 September - 18:00**
Location: **Jubilee Hall**

**To ensure you receive an information pack, please confirm your attendance online via this link.**

**https://register.campsinternational.com**

**Your School Code is 19173**

### Who are Camps International?

Camps International are award winning global leaders in ethical and sustainable school expeditions. They offer fully supported school expeditions, to industry leading safety standards, across Africa, Asia and Latin America, providing an authentic cultural experience for every travelling student.

### Where will they be going and what will they be doing?

Experience the magic of scuba diving, learn about orangutan conservation and work hand in hand with Bornean communities on projects that help improve lives.

Journey from white-sand beaches and picture-perfect blue waters of the coastal regions, to the lush green landscapes of central Sabah – a beautiful region in Malaysian Borneo. Get up close to colourful marine life and incredible orangutans, enjoying the abundance of biodiversity whilst learning about sustainable conservation. You'll play a vital part in environmental and community projects before taking on the challenge of learning to scuba dive on a PADI Open Water Scuba Diving Course. This incredible expedition to Borneo is jam-packed with adventure and impact.

### What will they get out of the experience?

This fully supported expedition will provide our students with a unique opportunity to live alongside rural communities, broadening their perspective on the world. It will allow students to push boundaries and step outside of their comfort zone, embarking on a personal development journey. It will enable them to reach and exceed their academic and personal potential, develop valuable life skills and gain key extra-curricular experience highly regarded by universities and employers.

### How much does it cost and how will we pay for the expedition?

This all-inclusive expedition costs £5490 and can be paid via scheduled payment plans. Payment plans facilitate both fundraising activities and financial management. All students are encouraged to fundraise the cost, teaching them important life skills such as money management, problem solving and event planning. If fundraising is new to you, then don't worry, the Camps International crew will support you and our students every step of the way.

We look forward to seeing you and your family at the presentation. **Can't make it?** Register anyway and we will send you more information.

Kindest regards,

The Buckingham School
