Considerate parking and bus lay – ParentMail of 14 September 2026

Dear Parents and Carers,

As a school, we are proud to be part of a wider community, and we are grateful for the support and consideration shown by so many of our families each day.

I am writing to ask for your continued cooperation regarding parking in and around the roads surrounding the school, particularly at the beginning and end of the school day.

We appreciate that drop-off and collection times can be busy, and that finding a convenient place to park is not always easy. However, it is essential that all drivers park safely, legally and considerately. We ask that parents and carers are mindful of our neighbours and other members of the community by avoiding parking across driveways, blocking access to properties, obstructing pavements or junctions, or stopping in a way that could create difficulties or hazards for pedestrians and other road users.

In addition the bus layby outside the front of the school is extremely busy between 8:00am and 8:30am, with buses pulling in to drop our students off. Parents using this space to drop their children off in their cars, causes considerable disruption and risk as buses pull in during this busy period of the day. We therefore request for parents to not use this layby in the morning as a drop off zone

We recognise that the vast majority of our families already show great consideration and respect for those who live and work in the local area. By continuing to work together, we can help to ensure that the school environment remains safe, welcoming and respectful for everyone.

Thank you for your understanding, support and cooperation.

Yours sincerely,

Mr Matt Wardle

Interim Head of School
