

ParentMail to Year 11 Parents/Carers – sent on Friday 6 January 2023

1. Monday 9th January - 'Bossing Your Exams Day':

Students will attend 2 x 1-hour sessions during the school day on Monday. We are very excited to welcome The Fix Up Team, who have designed - and will be delivering - motivational workshops to help students plan and manage their revision in the lead up to their summer exams.

The Fix Up Team have extensive experience in helping students better prepare and understand how to successfully navigate through GCSE studies for improved results, whilst developing self motivation and discipline in the student towards their revision.

2. Thursday 12th January 6pm to 7.30 - 'Preparing your child for exams':

Parents/Carers and their Year 11 children are invited into school to attend this evening event. The purpose of the evening is to give you an understanding of how to support and prepare your child for their GCSE exams across a range of subjects. This will include exam preparation, revision techniques and the importance of wellbeing.

We very much hope you can make this event on the 12th and look forward to seeing you.

Yours faithfully,

Mrs Jean Devlin
Head of Year 11
