

ParentMail Email regarding Consent for Enrichment Week Activities

Sent 17 May 2023

Dear Parent Title Parent Last Name

With Enrichment Week just around the corner, we are trying to ensure that all students have the necessary consents in place to attend their allocated activities.

At this time, we have not yet received the consent form for Student First Name to go offsite next week. This would have been sent to you as an email from a company called Evolve; please check your spam/junk folder in case it has been delivered there.

As your child is taking part in the Fast and Furious activity we require you to complete two consent forms, one for Silverstone and one for Thorpe Park. Please ensure you have completed both forms.

Can we please request that the consent form is completed via Evolve by Friday 19th May. If we do not receive the consent form from you by this date, your child will not be able to leave the school site and participate in their allocated activity. They will instead be placed on an activity taking place on site.

If you have any issues completing the form or have not received the request from Evolve please contact me on smerritt@buckinghamschool.org

Kind regards,

The Enrichment Week Team
