Dear Parents/Guardians

I am writing to you in respect of a number of incidents in the Buckingham community that have taken place over recent months. Most recently, where two children accessed the School grounds and caused some disruption to the school day. You may well be aware of this issue, as all the children within School were affected in some way.

I want to reassure you that we are working extremely closely with the Senior Leadership Team at the School and you may have seen/heard that there has been an increased Police presence. This presence is not because I feel that there is any elevated risk, but I am aware that the actions of a very small minority can have a significant impact upon your children and can lead to feelings of insecurity. Therefore, my staff are on hand to speak to the children and hopefully provide reassurance to them and to you.

Clearly the situation that occurred on 8th March is intolerable; we know the persons involved and action will be taken in relation to their behaviour.

Should you or your children have any concerns you would like to raise in relation to this or other incidents, then by all means, please approach the School direct, or I am happy for you to email me.

Yours faithfully,

James Davies
