

Uniform Changes due to rising temperatures

Sent via Parentmail 12/6/23

As summer has descended upon us from nowhere, the sudden rise in temperature is very uncomfortable for many.

In response to this, it has been agreed that students do not have to wear a blazer or tie for the rest of the week. However, especially if it is cooler in the morning, sweatshirts and hoodies should not be worn to replace them!

The remainder of school uniform and all full PE Kit is still required.

Best wishes

The Buckingham School
