Dear Parent / Carer,

UCAS - A Parents Guide

I am writing to make you aware that we are now starting the UCAS process with our Year 12 (J13) students. Following a visit to Bedford University on 20th June, students had the opportunity to meet with lots of Universities and some apprenticeship providers. I think the students found the day very useful!

I have attached the latest Parents Guide from UCAS for you to look at. I have highlighted the main areas of content:

- Pre-application pointers
- Preparing for University events
- Navigating the UCAS process
- Fees, funding and free money
- Student support and wellbeing
- Careers and employability
- Getting ready for University

I hope this Guide is helpful and informative for both you and your child.

If you have any queries and questions regarding the UCAS process, in the first instance, please contact Mr Cunningham at pcunningham@buckinghamschool.org. Due to a change in staffing roles and responsibilities, from September, please email your query directly to myself at the email address below.

Yours faithfully,

Mrs C Gibson-Smith

Head of Sixth Form
