Dear Parent / Carer

As you know, Year 9 had their drop down day on Friday 29th April. It was a fantastic day, filled with highly inspirational and emotive talks and workshops. The students thoroughly enjoyed the day and took alot away from each session.

As their Head of Year, I just wanted to let you all know how extremely proud I am of the whole Year Group for the incredible maturity, curiosity and engagement they all showed throughout the day. They demonstrated perfectly the kind of students that we have at The Buckingham School and were an absolute credit to you, the School and themselves.

Kind Regards

Mr C Lagdon
Head of Year 9
