

Message for students

After GCSE results day all students must complete Buckinghamshire Council's **16 Plus Survey**. Information about how to complete the survey is on the attached flyer. Please fill it in promptly once you have your results. The Council will use it to report which young people are in learning or work to the Department for Education.

Please note that if you don't complete the survey, you may be contacted to check whether you are in learning or work next term. Contacts are made by Buckinghamshire Council staff or their representatives. You can find out more about how and why they do this here: buckinghamshire.gov.uk/post-16-surveys-why-we-may-contact-you .
