Dear Parent / Carer

EASTER REVISION

I am writing to remind you of the importance of the forthcoming GCSE/BTEC/A-level examinations that will be starting in May and to ask you to stress to your child the importance of using the Easter holidays for study and serious revision.

Please find attached a copy of suggested Easter revision activities for each subject. In addition to these, there is a range of online resources available such as BBC bitesize, GCSE Pod and Seneca learning. Teachers have also been using Google Classrooms to give more specific revision ideas.

Of course, I understand the need for students to have time to rest and recuperate from a very busy term, but revision should also be a priority at this time.

If you have any questions regarding the upcoming examinations, please email myself, exams@buckinghamschool.org or contact your child's subject teacher.

Yours faithfully

Mr J Dunckley

The Buckingham School is concerned that every student should have the opportunity to attend school activities/obtain equipment, regardless of their financial circumstances. As such, it may be possible to subsidise those students who would otherwise be unable to attend trips/purchase items. Please feel free to write in confidence to finance@buckinghamschool.org, if you wish to seek assistance, or obtain more information about Pupil Premium funding.
