Dear Parent / Carer

### HOMEWORK

In order to support students in their organisational skills, we have invested in an online homework system which allows teachers to post homework online and students to then access it via their own logon.

This supports our students in the use of their planners and also allows parents to check that students are completing it without having to solely rely on their planners.

In addition to students having a password, parents also have a password and the details of both of these are attached. Once logged on, parents can see exactly the homework set and the corresponding due date.

Should you have any issues logging on please contact me using the email address [itustian@bucksqfl.org.uk](mailto:itustian@bucksqfl.org.uk).

Yours faithfully

Mr I Tustian  
Deputy Headteacher
